

Electro-Mechanical Engineer – Level 6

The entry requirements for the learning provider for this course are as follows:

A Level: predicted or achieved BBB or above *providing* the applicant is taking Mathematics AND Physics (Upon absence of physics, applications will be looked at on a case by case basis).

BTEC: predicted or achieved DDD or above *providing* the applicant is taking the two required maths modules or A level Maths (at grade B)

Candidates with non-traditional qualifications will be considered on a case-by-case basis and will be dependent on the employer's recruitment process, and subject to passing appropriate assessment on Mathematics set by The University of Warwick. We encourage applicants with non-standard qualifications to contact us to discuss their eligibility. For any questions relating to entry requirements please contact a member of the admissions team via eng.apprenticeships@warwick.ac.uk.
