

**Business area:** Faithful+Gould

**Requirements:** On track for a minimum of a 2.2 degree in project management or a degree in any subject for those who can demonstrate the necessary commercial and technical acumen.

**Our teams and what they do**

### **Project Management**

Working as a Project Management placement student you'll form an integral part of our established team of project and Programme Management practitioners and will be supported in all aspects of your career development. Our Project Managers are involved in some of the world's most prestigious and complex projects, requiring meticulous planning to ensure successful delivery to our clients and stakeholders. You'll work in a wide variety of industry sectors and will develop your skills on a multitude of projects, learning from some of the best professionals in the world. You'll be developing your confidence, building upon your communication and problem-solving skills as well as honing your management abilities.

As a Project Management placement student at F+G you be working directly with clients to achieve their goals, this may include assisting clients in developing the strategy for their project or programme, helping multidisciplinary project teams to turn ideas into tangible designs, or assisting with managing projects onsite to help turn concepts into reality.

In joining F+G's Project Management team, you'll not only be gaining the knowledge and experience to set you in good stead to pass your Chartership, but you'll also be joining one of the world's leading project management providers.
