

Business area: Faithful+Gould

Requirements: Obtained or working towards a 2.2 Bachelor's degree or above in a Project Management related degree or any subject for those who can demonstrate commercial or technical acumen. We'll consider sponsoring your MSc on a day release basis if you don't have a degree in a relevant subject.

Our teams and what they do

As a Graduate Project Manager on our prestigious 3-year programme you will help to support and deliver a variety of services across a range of challenging and exciting projects in the UK and internationally. We operate across a range of markets including; transportation, infrastructure, energy, defence, education, central and local government, commercial property and heritage.

We strive to build strong relationships by understanding the challenges our clients face, sharing their vision and helping them transform their visions into reality. Our core suite of digital platforms and tools underpin our service delivery model and through innovation, standardisation and automation, we maximise efficiencies for our clients to save time and money. Our cutting-edge independent advice and support enables our clients to turn bold ideas into reality and deliver their most important projects and programmes.

Working as a Project Manager you will form an integral part of our established team of project and Programme Management practitioners and will be supported in all aspects of your career development. Our Project Managers are involved in some of the world's most prestigious and complex projects, requiring meticulous planning to ensure successful delivery to our clients and stakeholders.

As a Graduate Project Manager at F+G, you'll be working directly with clients to achieve their goals, this may include assisting clients in developing the strategy for their project or programme, managing multidisciplinary project teams to turn ideas into tangible designs, or managing projects on site to help turn designs into reality. This will require spending time in F+G's offices, the client's office or the client's site.

You can either join us as Graduate Project Manager in our Commercial Property or Transportation teams. More information on these teams can be found below;

Commercial Property:

If you join one of our Property teams you will enjoy exposure on a wide variety of schemes, in all sectors, including new university campuses, commercial office developments, refurbishment of listed buildings and museums, large residential scheme, theme parks, the list is endless! You will be given the opportunity to grow, with a wide variety of projects to work on with an experienced, high performing qualified team, to learn from. You will be developing your confidence, building upon your communication and problem-solving skills as well as honing your management abilities.

Transportation:

Our Transportation team enables you to work on some of the most prestigious and technically challenging Civil Engineering projects in the UK, influencing the way we live and shape the Built Environment. Our highly regarded Transportation team has a significant client base across multiple sectors, working for clients such as HS2, TfL, Network Rail, Highways England, EDF Energy, Thame Water and Gatwick Airport to name just a few. Our leading clients you may be working in are in Railway, Local Authority, Highways, or Aviation sectors.

As a Graduate Project Manager in Transportation, you will have the exciting opportunity to take responsibility for a vast array of projects ranging between £1m - £100m+. This will involve spending time in the office or out on the client's site, ensuring that client projects are delivered on time, budget and to the specification.

Training and development

Our training will help you solve real-life problems from day one and develop industry skills that are highly sought after.

- Our 3-year flexible graduate scheme promises to give you the support you need to develop your technical, commercial and consultancy skills. What defines Faithful+Gould is the unrivalled amount of support by your assigned supervisor and buddy during APC workshops, monthly Q&A, training and mocks.
- Professional development which will be discussed throughout GDP, supporting you in becoming a well-rounded consultant and encouraging you to obtain your APC by offering you a wide variety of work and projects in order to gain experience required to achieve this. We also offer core learning modules to develop your softer skills such as technical writing and presentation skills to enable you to complete your day to day role.
- APC coaching, professional training and industry exposure with a high-level clients and variety of projects
- This year we have had exceptional UK APC results exceeding the national average by 15% with a combined pass rate of 80% which shows our dedication and commitment to training and L&D.
